If you've never shot any type of match . . . give Steel Challenge a try. It requires the least equipment, and has the simplest rules of the basic disciplines. Bring a pistol or revolver from .22 to .45, and at least two magazines, (more magazines if you have them, or one speed loader for revolver). You get to stand in one spot, so limited mobility isn't a problem. Bring about 150 rounds, just in case. Shoot the same arrangement of targets 5 times and throw out your worst score, so everyone has a 2nd chance, and fun all around. Come give it a try.

See the website **bggrgc.com** for Times, Updates, Directions and full schedule or Email bggrgc@bggrgc.com

Eye/Ear Protection required, for spectators and shooters. We've usually got some spare earplugs. Bring some sunglasses. Come take a look. Spectators welcome. Shooters VERY welcome.
